Instructions to Reviewers:

1. All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.
2. The attached copy of the application, any copies made therefrom and this form must be returned to the PTO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.

Time for Completion of Review:

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

The USPTO publishes patent applications at its option, from the date of deemed filing, that the USPTO will delay the publication of an application that contains information that is a defense agency matter as defined in 35 USC 184 until the date of the expiration of 6 months from the filing date of the application to the agency. This application will be cleared for publication 6 months from the filing date or 20 days from the date of the "information" supplied, whichever is later, unless a response is provided to the USPTO regarding the necessary restriction, as to the submission of a secrecy order.
